This Summit aims to promote global cooperation for the conservation and protection of seven Big Cats species- Tiger, Lion, Leopard, Snow Leopard, Cheetah, Jaguar and Puma. The event aims to encourage students and young people to understand the importance of protecting wildlife and care for nature.

In this regard, students of Hariyana Vidya Mandir, prepared placards carrying messages such as "SAVE BIG CATS , SAVE ECOSYSTEMS, SAVE HUMANITY" alongwith images of the 7 Big Cats and went for a Rally, making people aware of the importance of Big Cats.

Students also took Pledge , before going for the rally march, promising not to harm any animals, specially the animals falling under Big Cat family.

Students of junior classes were also shown awareness videos where they saw the struggles faced by these animals, and also became aware of how to conserve them. It was a very fruitful initiative where students got to learn a lot of lessons from the animal kingdom, specially from the kingdom of Big Cats.
